Name: **Oberwil Corporation.**

Address of Property: **Block 5038, Lot 97**  
**366-394 Wilson Avenue Rear**  
**Newark, Essex County, New Jersey**  
**(hereinafter "the Property")**

I consent to officers, employees, contractors and authorized representatives of the United States Environmental Protection Agency (EPA) entering and having access to the Property referenced above during the period from October 27, 2020 through November 20, 2020, in order to conduct sampling of piles located on the Property which is located within the Pierson's Creek Superfund Site in Newark, New Jersey.

The activities will include:

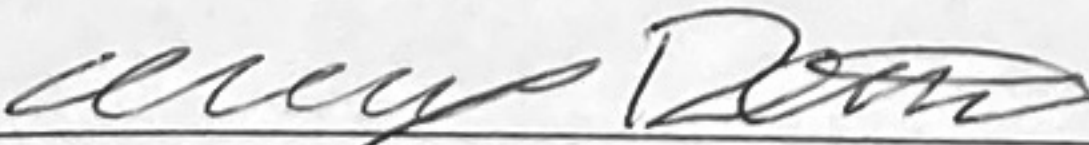

1. The taking of samples from piles that had been placed on the Property by Salomone Brothers, Inc.,
2. The covering of those piles to the fullest extent possible to prevent any further release of contamination from the piles, and
3. Any other actions necessary to fully characterize contaminants in the piles and to prevent further release of contamination from the piles.

I understand that EPA or its authorized representative will notify me of the date and approximate time when it plans to conduct the activities listed above.

I understand that all activities performed by EPA and its authorized representatives will require that all individuals at the Property will follow Covid-19 protocols to minimize exposure such as following social distancing, the wearing of a face covering and minimizing contact with others.

I understand that the activities to be performed on the Property by EPA and its authorized representatives are to be undertaken pursuant to EPA's response and enforcement authorities under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. §§ 9601-9675.

This written permission is given by me voluntarily with knowledge of my right to refuse and without threats or promises of any kind. I acknowledge that I am fully authorized to grant the access described in this Consent for Access.
